

CSI 201 — Computer Science I

Handout #20

1. Recursion (p572)
2. void recursive functions
3. base case, recursive case (p579)
4. Infinite Recursion (p580)
5. Stack Trace (p582)
6. Recursive view in memory
7. Winding up, Winding down
8. recursion vs iteration (p585)
